UPDATE ON EXTRAVAGANZA IN 2017

There are changes happening to Extravaganza!

Due to the difficulty of getting help on the committee for the Still Portion of the Extravaganza it will be dropped from the event this year.

The 2017 Extravaganza will be hosted by the Fort Bragg club and held at Dana Gray School in Fort Bragg on May 6, 2017.

Fashion Revue and Food Olympics will be the two main events. The committee is forming now, so as more news becomes available you'll be able to read about it in the newsletter.

Sewing Project members, you now know when you'll need to have your outfits complete. Information on the categories for this year can be found at http://4h.ucanr.edu/4-H_Events/SFD/SFR/ which is the State Fashion Revue website, our county follows the same categories and rules.

Food Olympics is starting its 2nd year, last year was a fun success for all who participated. You do not have to be in a cooking project to compete. The categories within Food Olympics are; Favorite Foods, Healthy Living, Cupcake Decorating and Place settings. For more information on Food Olympics check out [http://cemendocino.ucanr.edu/4-H_Program/Fashion Revue and Favorite Foods/](http://cemendocino.ucanr.edu/4-H_Program/Fashion_Revue_and_Favorite_Foods/) this was last years' information but the categories will be the same.

If you would like to help with the event you can contact Karen and Lucia Jones at bearyboo135@gmail.com or call the 4-H office at 707-463-4495

Mark your calendars, **County Presentation Day** will be held on Saturday March 11, 2017 in Mendocino at the K-8 school on Little Lake Road.

WREATHS ACROSS AMERICA ARTICLE

The Ukiah Cemetery is an official Wreaths Across America (WAA) location and will host a wreath-laying ceremony, joining more than 1,000 other locations across the country for National Wreaths Across America Day. This year's date is Saturday December 17th at 9am. Coordinated and led by local 4-H clubs and volunteers, this annual event seeks to further the WAA mission of Remember, Honor, Teach, ensuring that the memory of those who served our country endures.

A dedicated group of 4-H teenagers representing the Ukiah Shamrocks and the Redwood Valley/Calpella 4-H Clubs are planning the third Wreaths Across America event for the Ukiah Cemetery. A few of us researched stories about a veteran buried in the Ukiah Cemetery by talking to their families. We'd love for you to come out to the event at the cemetery, but if you cannot, enjoy this article written by 4-H member Ella Nelson of the Ukiah Shamrock Club. The veteran I have chosen to write a story on is Ernest Eriksen. He is my great, great uncle. He is also the uncle of the man who helped me write this story, Floyd Eriksen. He was the first boy born to Jonas and Ida Eriksen. Ernest was born on June 26, 1892 and died on April 18, 1968. He lived to be 76 years old. He had 5 brothers and 2 sisters and 2 of his brothers were in WWI. There was a 15 year difference between him and his youngest brother Theodore.

He went to war at age 20 and he returned 2 or 3 years later. When he left he was leaving his father who was a rancher in Ukiah. He trained at Fort Lewis in Washington. He fought in World War I in France at the Battle of the Black Forest. He was injured, but not shot. Ernest operated artillery in the army. When he was leaving France, he actually ran into his brother William who was going into the war. When he returned home he had 3 kids, 2 boys and a girl, with his wife Leta Eriksen. He also became a lumberjack. My grandpa explained to me how Ernest didn't talk much about the war. He also told me how hard Ernest worked. In 1938, he moved to Laytonville. Even after he moved my grandpa still saw him quite often. When Ernest Eriksen returned from France there were only 4,000 people living in Ukiah. The number of people in Ukiah is four times that now. One day I hope to be as hardworking as my great great uncle Ernest Emerson Eriksen.

We are continuing to seek donations for wreaths. There are over 2,000 veteran graves at the Ukiah Cemetery. Wreaths are \$15 each. If you'd like to donate money for a wreath for this incredible event, you can by contacting Nadine Boer 707 463-0411 (Ukiah Location Coordinator). And you can request a wreath being placed at a specific grave, if you are not able to attend the ceremony. This program also supports our clubs as for each wreath purchased \$5 comes back to our clubs for our programs. Thank you.

Ava Mortier – Ukiah Shamrocks 4-H Club Member

The Wreaths Across America Ceremony

date is fast approaching – Saturday December 17th at 9am at the Ukiah Cemetery . The deadline for wreath donations for this year is November 28th. Our local 4-H youth are committed to this program to place wreaths upon the graves of our local veterans. The mission of the Wreaths Across America is Remember, Honor, Teach. Remember the fallen. Honor those who serve and their families, and Teach the future generations about the sacrifices made to preserve our freedoms. This year, the 4-H committee members were asked to learn about a veteran buried in Ukiah. The following is one such story. Tanner Whetzel of the Ukiah Shamrocks 4-H and sophomore at Ukiah High School researched Al Hardie a veteran buried at our local cemetery by speaking with Mr. Hardie's family here in Ukiah.

There is estimated 2,000 veterans in the Russian River Cemetery, that's 2,000 people who risked their lives throughout all of our nation's wars. There are graves dating back all the way to the Spanish American war in our local cemetery. Each grave has a person connected to it and each person has a story connected to them. The story I will tell today is about Lieutenant Albert Minton Hardie Jr. Al Hardie was a normal citizen just like you and me, born June 24, 1922. After high school he attended UC Berkeley and was going to be a lawyer like his father, then America was thrown in WWII and like most young men in the 40's Al joined the Military. He was in the Army Air Force and went into bombardier school. While in bombardier school he was exceptionally good and was then assigned to be the teacher for the bombardier school. He was a teacher for a couple of years then he was sent overseas as a bombardier. While he was still teaching he fell in love with a girl named Irene and married her. Very soon after he got married he was sent to the South Pacific to fight for his country. As stated above he was a bombardier for the Air Force and was for his military career. Towards the end of the war one of his friends needed one last mission to go home, so Al gave him his. It turns out the mission Al gave to his friend to be sent home was the dropping of the atomic bomb on Japan's cities

After WWII Al went into the reserves, but then got asked to be in the Korean War years later. He was in service for the Korean War for three years then got out. After both wars he got to live the American Dream, raise a family, and enjoy life. Al moved back to Ukiah in 1953 because he had roots in the Ukiah Valley. Al's mother was part of the Romer's family. Al and his wife raised three children; Bob Hardie, Ann Arneson, and Janie Leonard. Al had many jobs including stock broker, car salesman and pear rancher. Al passed away March 9th, 2013. Al's story is just one out of the 2,000 veterans that lie in our cemetery. This shows how much one American can do in his/her lifetime. I encourage you next time you visit a cemetery and see those veterans graves don't look at them as just a gravestone, but as men or women who gave their lives and respect to their country. I also encourage you to take that veteran's name and research them. You'll be surprised what you will find.

For more information on how to donate or participate in the Ukiah Wreaths Across America, please contact Nadine Boer Location Coordinator (707) 463-0411 or Dana Kornegay - Ukiah Cemetery (707) 462-8012. Wreath Donations are \$15 per wreath. Mail checks made out to Wreaths Across America to Nadine Boer 300 Stipp Lane Ukiah CA 95482.

We are also happy to report that there are many other locations in our county participating, the Potter Valley Cemetery effort led by the Potter Valley 4-H Club, the Rose Memorial Park in Fort Bragg led by Fort Bragg

4-H. The Round Valley 4-H is involved in American Legion Hall Post 759 in Covelo and the Hopland Cemetery Wreaths Effort is led by the Hopland American Legion Post 529. Also the Cemetery District of the Redwoods (Hwy 20) Willits is participating.

SCRIBE'S ARTICLES

Hello 4-H Families

Not a whole lot going on in the 4-H world. Everyone is just getting up and going on meetings. So I don't have a lot to report on.

The Spooktacular Cloverbud Field Day was a blast, in our group we did Greasy Grimmy Gopher Guts! A lot of kids were there and a lot of them did our booth. There were a ton of other booths set up and going really well. A lot of the kids were in their Halloween costumes and they were all very cute. I saw a couple of our 4-H kids there and most of them were in their costumes too. Everybody was so helpful to us and all the other booths. I would like to give a big thank to all the 4-H parents who showed up and helped out! We couldn't have done it without you!

This month our group will be donating 4 Thanksgiving Baskets of food to 4 families in our community that are in need. Geigers Long Valley Market will be donating 2 turkeys and two 4-H families will be donating 2 other turkeys, all of our 4-H families will be donating food to go into these baskets, this is very heart warming.

I hope everyone has a wonderful Thanksgiving! I know I will!

Mendocino Spartan's Report

Hello again! I am here to tell you a little bit more Boonville Fair 2016. The Mendocino Spartans had two small groups of people show their animals at the fair: the Goat Project members and the Poultry Project members. The members who showed their poultry this year were Ariel Anton and Jacob Welter. The members who showed their goats this year included Elisha Yager, Joya Yager, Gavin Evans, Rose Parker, Mealii Parker, Joey Beak, and Hardy Beak. Both project members worked very hard on keeping their stalls and cages very neat and tidy. The constant care and cleaning resulted in the Goat Project and the Poultry Project receiving the Clean Stall Awards this year. Animals mean a lot to our club, and we will try our hardest to keep it that way.

The 1st Annual Young Archer Essay Contest to benefit St. Jude Children Research Hospital is now in full swing and is open to all kids 8-18.

While it will be a perfect way for us to gather enough stories for the 2017 magazine season, it became obvious that it could also be a great fundraiser. We contacted St. Jude's and all proceeds from the \$5 entry fee will now go directly to them.

Whats in it for the kids?

It is a fun way for them to share their experiences and not only will some of the stories make the magazine, we have over \$6000.00 worth of prizes to give away. Top prize being a 4 Day archery hunt in Illinois.

How you can help?

If you could please help us out and forward this email to the kids in your states program, we would be so very grateful.

Here is a link to the contest <http://www.theyoungarcher.com/essaycontest/>

Thank you for all you do to help the kids in your care.
