What to Put in Your Show Box

Some of the Kern County 4-H project chairs have put together lists of items that should be in a 4-H members show box when at the fair or other exhibitions. We have lists for the horse project, the dairy goat project, the dog project and beef project. To view the lists you can visit the link below under the heading "Miscellaneous Kern County Fair Resources":

Safe Halloween

For the last several years, Hi 4-H has hosted a booth at Safe Halloween. Safe Halloween is held at the Kern County Museum on October 30th & 31st and is set up so families can bring their children to trick or treat in a safe environment. The different organizations that take part have candy available for the children that come by the booth. Donations of candy are needed to help support this event. Please have your club drop off candy items at the UC Extension Office at 1031 S. Mt. Vernon Avenue in Bakersfield. There are some restrictions on the items donated. The candy must be items that are wrapped or packaged. **Gum and items with peanuts are not allowed.**

The Western Region is currently gathering input from 4-H Volunteers regarding multi-state professional development. Please respond using this survey (full link at bottom of message). Your responses will help to shape volunteer professional development opportunities for western states.

And the Winners Are.....!!!

California 4-H joined nine other states in the “Common Measures Challenge Cohort” as part of a program from National 4-H Council. The goal of the challenge was to collect data from youth to help showcase the impact of 4-H. Clubs across California were asked to support the effort by having youth complete online surveys. In Kern County we offered prizes for the clubs who had the largest percentage of their members participate in the project. Congratulations to the following clubs who will receive \$100 worth of goods from Shop 4-H: <https://shop4-h.org/>

Club with 5 – 29 members with the largest percentage of members participating:

Tie - El Adobe 4-H, Tehachapi Mountain 4-H

Club with 30 + members with the largest percentage of member participating:

SHOOTING SPORTS WORKSHOPS

Archery, Rifle, & Shotgun Disciplines

September 8 & 9, 2018 – Winton, CA (Merced County)

There will be three workshops to certify 4-H adult volunteers as Shooting Sports Leaders or Trainers in the Shooting Sports disciplines of “Shotgun Project Leader”, “Rifle Project Leader”, and “Archery Project Leader” presented in Merced County on the weekend of September 8th and 9th. You may only attend one workshop for a specific shooting sports discipline and you must attend both days to be certified. By doing these three popular workshops on the same weekend it will allow counties to ride share and get several shooting sports disciplines completed to bring back to their county. If you have backgrounds in one of these shooting sports disciplines and have a desire to teach youth, why not step up and share your expertise!

This class will be Saturday Sept 8th, 9 AM –4 PM, and Sunday, Sept 9th, 9 AM - 2 PM, at the Safety First Shooting Association, River Oaks Range Firearms Training Center, 11584 Shaffer Rd, Winton 95388, in Merced County. This class is being hosted by Merced County 4-H. You must become a 4-H leader and attend both days to receive certification to teach the specific shooting sport at the project, club and camp levels. The course will include a PowerPoint lecture, review of equipment, practice shooting and teaching, and a written test. The cost is \$35 per person to include a resource binder, with Saturday and Sunday lite breakfast refreshments. Bring your own lunch each day.

Junior and teen leaders are invited but must attend with an adult or have a certified Shooting sports adult leader they will be helping back home.

Driving directions to the range are at <http://www.safetyfirstshooting.org/html/directions.html> . Tent or Dry RV camping is an option.

To register, please complete and mail the “CA 4-H Shooting Sports Training Request and Registration Form” available at <http://4h.ucanr.edu/files/4785.pdf> and an adult or youth 4-H medical release form and a \$35 check payable to “Merced County 4-H Council” and mail to UCCE, 2145 Wardrobe Ave, Merced, 95341. Registration is due Friday, Aug 31st. **Space is limited to 25 attendees for each discipline.** For more 4-H general information call Darlene McIntyre at [209-385-7418](tel:209-385-7418) or email her at dlmcintyre@ucanr.edu. Totes My Goats 4-H Progress Show 2018

Kushman Feed and Farm Supply

Saturday, September 8, 2018

Check in 7:30 am – 8:30 am

\$5 per early entry per class

Entries are due to the 4-H office by September 4, 2018 by 5 p.m. Late entries will be accepted the day of the show. Cost will be \$10 per class and cash only. Please bring exact change we will not be providing change.

The show is open to all 4-H members who are currently enrolled in the current 4-H program year. We will be showing out of our trucks, meaning there are no cages provided. All members will be responsible for bringing a water bucket for their animal, crate if desired, and a chair. We will have a small food booth there to sell some drinks and snacks.

This is a showmanship clinic, meaning that we will only be having showmanship classes for both Dairy and Pygmy goat members. The classes will be divided by their age and size. We will have amazing prizes for the class winners as well. Once all members have shown for both species we will be taking the first-place winners from each class to compete for an overall Champion showman of the Pygmy and Dairy goats combined. There is a set of clippers donated for the top showman! We will have some amazing prizes for other placings as well. The clinic is a learning experience for showmanship, there will not be a breed class. It will be a great opportunity to let the members get ring experience prior to the Kern County Fair.

If you have a member that is interested in showing both a Pygmy goat and a Dairy goat they can do so. You will need to pay \$5 per class they have entered. Please fill out the form correctly below. *We will be able to move classes if there is a mistake, but not breeds. After 8 am there will be no more moving of classes.* Please be sure to arrive early so we have plenty of time to accommodate any requests.

Detach the section below and hand in with your entry. The top portion is yours to keep.

4-H Sizzling Summer Youth Pygmy Goat Show

On August 18, 2018, the Kern Co. 4-H Sizzling Summer Youth Show was held at the Kern Co. Fairgrounds. We had 65 youth compete in Showmanship, plus 52 wethers and 51 does in this NPGA sanctioned show. Our judge this year was David Wortham from near Sacramento. He remarked on three observations that stood out to him that sets our show apart from many others. 1. He couldn't believe how large the show was (larger than many open shows). 2. He was impressed by the quality and care of the goats here (great job everyone!). 3. He was shocked at how polite, kind, and nice everyone was (youth & parents both).

Thank you especially to our Jr & Teen Leader youth committee members that put on this show. It's one of the more unique aspects, in that this youth show is put on by youth for youth. Thank you to Holly & Shannon Parks for helping chair the show, run check-in, keep track of placings, and hand out awards. Thank you to Gabriella, Sophia, & Christiane Camou for running the photo contest & helping in the showring. Thank you to Kaylee & Kindra Lytle for running the poster contest & helping in the showring. Thank you to Jayden, Taylor, & Candi Harris, along with many members of Northwest 4-H, for running the snack bar, as well as helping in the showring. Thank you to Lexi & Nicki Vandehey for running the Fastest Connection Race. Thank you to Christopher, Lauren, & Lisa Nelson for jumping in and helping wherever we needed help. I feel truly blessed by this wonderful group of families. As you can see, it takes many hands to run a successful show. Thank you again to everyone!

Last note that I was especially excited to see: All of the baby does in the 0-4 month old class were locally bred by our county youth and in their new herd names. I can't wait to see the future of Pygmy Goats in Kern Co!

Congratulations to all of the winners of Showmanship and the Confirmation Classes!

2018-19 Volunteer Training

All 4-H adult volunteers are required to complete online training courses in eXtension in order to volunteer with 4-H youth. The eXtension training sessions are interactive and most volunteers have no problems accessing and completing the training.

If you have an older computer or low internet bandwidth

The State 4-H Office will facilitate training in a Zoom session, an online system that allows video conferencing, for those who have computers with older operating systems or low internet bandwidth. We will offer multiple Zoom-based sessions from July to November.

Zoom participants need to INDIVIDUALLY pre-register online **at least 1 day prior to the desired training date** using the links for the session. Participants must stay on the webinar for the entire session in order to complete the training.

[Click here](#) for a list of the webinar dates and times and their registration links.

CA State 4-H Fashion Review

Congratulations to the 136 members who represented 40 counties at the 2018 State Fashion Revue. In addition, 37 presentations were given by dual-registered members. We owe a big thanks to the evaluators, room monitors, and presentation room hosts who volunteered in Olson Hall.

The two state service projects were very successful!

4-H Shooting Sports National Championships

June 23 – June 28, 2019

Grand Island, NE

Online applications are now being accepted for the 2019 4-H Shooting Sports National Championships in Grand Island, Nebraska. Applications are due online by October 1, 2018. The applications and a list of expectations of potential California 4-H members wishing to participate in the event can be found at: <https://ucanr.edu/survey/survey.cfm?surveynumber=25086>

After October 1st, a panel composed of members from the State 4-H Shooting Sports Advisory Committee reviews the applications and makes the selections of those who will attend the event. Applicants are notified if they have been selected by the end of October. Applications are due months in advance of the event to allow individuals or teams the opportunity to fundraise and help defray travel costs. Information regarding the 4-H Shooting Sports National Championships can be found at:

C4-H NYSD 2018: Code Your World

This October, 4-H and Google will launch an exciting National Youth Science Day challenge, Code Your World, which invites kids to get involved in computer science through hands-on doing.

Code Your World is a four-part computer science (CS) challenge that teaches kids to apply CS to the world around them through hands-on activities.

Developed by West Virginia University Extension Service and Google, it includes a computer-based activity on Google's CS First platform and three unplugged activities that bring coding to life through games and interaction.

Code Your World uses games and hands-on fun to teach kids important CS and computational thinking concepts, and is perfect for first-time and beginner coders ages 8-14.

Food Safety Training Available ONLINE!

The State 4-H Office requires that every club have at least one 4-H leader trained in Food Safety. The more leaders in your club that are certified, the more convenient it is for your club. It is required that a certified volunteer is to be present at all bake sales/food booths to make sure proper food safety guidelines are handled. Food Safety trainings are available anytime online!
