Grape Powdery Mildew Management Survey

This consent page explains this survey and your part in it if you decide to participate. Please read the form carefully, taking as much time as you need. The survey itself will take approximately 10 minutes.

What is this study about?

This research study is being done to determine the current knowledge status on grapevine powdery mildew management as it relates to fungicide resistance. Information from this study will be used to develop extension and outreach programs over the next 4 years.

Will my information be kept private?

The data for this study will be kept confidential to the extent allowed by federal and state law. No published results will identify you, and your name will not be associated with the findings.

The results of this study may be published or presented at professional meetings, but the identities of all research participants will remain anonymous. The data for this study will be kept for 5 years.

Who can I talk to if I have questions?

If you have questions about this study or the information in this form, please contact the researcher: Michelle Moyer, 24106 N Bunn Rd., Prosser, WA 99350, michelle.moyer@wsu.edu, 509-786-9234. If you have questions about your rights as a research participant, or would like to report a concern or complaint about this study, please contact the Washington State University Institutional Review Board at (509) 335-3668, or e-mail irb@wsu.edu, or regular mail at: Albrook 205, PO Box 643005, Pullman, WA 99164-3005.

What are my rights as a research study volunteer?

Your participation in this survey is completely voluntary. There will be no penalty to you if you choose not to take part. You may choose not to answer specific questions or to stop participating at any time.

By selecting you consent, you are indicating you understand the information provided here, and understand the nature of the survey.

- ☐ I consent to taking this survey
- ☐ I do not consent to taking this survey
