## Tehama County 4-H *In the Clover* August 2019

### The 4-H Year is Over...What's Next?

#### Have you finished your 4-H Record Book?

Record Books do not have to be a daunting task. In fact they are a great way to reflect on your yearly work by documenting your skill development, learning experiences and growth in 4-H.

In California, there are two ways to complete a Record Book - through the **Online Record Book (ORB)** or with a **paper Record Book**.

Both versions are aligned with the same forms and follow the same instructions for completion. Members may use either version as their Record Book.

**Your Record Book is YOURS...** 4-H Record Books must be completed by the 4-H member – that means you! This includes completing forms, writing the 4-H Story and other records. Adults may assist by guiding, explaining and helping to compile information and proofreading.

Think of it as the *Scrapbook of your 4-H Experiences!*  
It is a good reference when completing Resumes  
for Scholarships and even Jobs!

#### Don't get stuck—there is help available!

If this is your first time completing a 4-H Record Book, be sure to read through the "Record Book Manual" available online at [http://4h.ucanr.edu/Resources/Member\\_Resources/RecordBook/](http://4h.ucanr.edu/Resources/Member_Resources/RecordBook/).

Also, reach out to your veteran members, your project leader and even your club leaders!

All 4-H volunteer leaders and 4-H members (14 years & older) are voting members and invited to attend the monthly Council meetings. ## Countywide 4-H Projects

4-H Projects typically begin at the club level however, if there are no volunteers leading such projects, the option to open a popular project to the county level allows others to interact and meet members from other clubs who have similar interests. Countywide 4-H projects are available to any active Tehama County 4-H member. These projects have their own schedules and meeting dates and it is up to the member to keep informed as they do not meet at monthly club meetings. Countywide 4-H projects must be approved annually by our county 4-H Program Educator upon completion of a Countywide Project Info Sheet on file with the UCCE Tehama County 4-H Office. Interested in starting or continuing a Countywide 4-H Project? Request a Countywide Project Info Sheet by emailing [slseverson@ucanr.edu](mailto:slseverson@ucanr.edu). **Info sheets are due August 27, 2019.**

## Volunteering in 4-H

Adults - have you thought about volunteering for 4-H? The 4-H Program of Tehama County depends on adult volunteers to help our youth "learn-by-doing". You will work side-by-side with 4-H youth in youth-adult partnerships, where you grow together in shared responsibility and decision-making. Not ready to lead a project of club - that's okay! There are other opportunities such as joining county and state committees, evaluating at county or state events and even helping with events or programs such as 4-H Youth Camp! Now is enrollment time for the 2019-2020 4-H Program year. Fees for adult volunteers are only \$30. To get started on your enrollment please visit: [http://ceteama.ucanr.edu/4-H.../4-H\\_Volunteer\\_Opportunities/](http://ceteama.ucanr.edu/4-H.../4-H_Volunteer_Opportunities/)

## Ride for Life

Hi there, this is Mackenzie Speers. I am a Tehama County 4-H member, two-time B.L.A.S.T. member and have been active in many projects in Tehama County 4-H. Outside of 4-H, I am taking some time and organizing a fun upcoming event that supports and assists the American Cancer Society. You don't own a horse? Or you don't ride? That's okay! Get a team of 5-8 friends and make a stick pony team and you can join the fun! Lots of fun on and off of your horses. Come join us walk the track in support of the American Cancer Society fundraising to find a cure! You can find more information on sponsoring, participating, or volunteering for this great event! Keep an eye out on our Facebook page "Tehama Ride for Life" for updates as the date comes closer. All of the teams must be pre-registered at <http://Main.acsevents.org/TehamaRideForLife> **Cost per rider/participant is \$25 each.** Any rider/participant who donates \$100 will receive a free t-shirt. Any cancer survivors who would like to participate are free! ## State Program Fees

4-H is the first and largest youth development organization in the world, and for over 100 years has been preparing young people ages 5 to 19 with the skills they need to lead for a lifetime. Annual program fees paid by members and volunteers help support fundamental services, including staff, insurance, program development, resources, events, and required online systems to sustain and enhance exceptional programming for nearly 110,000 members and 15,500 adult volunteers. Over the coming years, state program fees are projected to increase to cover the usual costs for program operations (per Shannon Horrillo, Statewide 4-H Director *4-H Update*, May 2018). For the 2019-2020 program year, the state fees will be \$58 for youth and \$24 for adult volunteers. Counties and clubs may have additional fees. Tehama County fees for the 2019-2020 program year will be an additional \$7 for youth and \$6 for adult volunteers. California 4-H YDP believes that 4-H should be accessible to everyone and, therefore, fee waivers will continue to be available for qualifying families (contact the UCCE Tehama County 4-H Office for more information 527-3101).
