Let's all invite our community to support 4-H by purchasing a paper clover at any **Tractor Supply** store during the paper clover drive October 9–20! Clubs should contact their local store to make arrangements to have 4-H members showcase their projects and promote Paper Clover sales. 4-H RECORD BOOK INFORMATION

In California, we have two ways to complete a Record Book - through our Online Record Book (ORB) or with a paper Record Book. Both versions are aligned with the same forms and follow the same instructions for completion. You can use either version as your Record Book.

The 4-H program has a long history of record keeping. The focus reflects the importance of this life skill in our daily lives. Completing a 4-H Record Book is a process where you record project and club work using a standard format.
