

Our Mission

Tulare County Fair Foundation celebrates the heritage of agriculture through the bounty of the county and works to ensure a legacy of agricultural literacy

Dear Tulare County 4-H and FFA Fair Exhibitors,

The Tulare County Fair Foundation, with the continued support of our generous donors is very excited to announce the 2020 Youth Ag Grant. We recognize the challenges and the unforeseen impacts that the Covid-19 pandemic has had on each and every one of you. We realize that you have planned ahead and have financially invested into your projects, with the intention of being able to show case your hard work at the Tulare County Fair.

The Tulare County Fair Foundation through the 2020 Youth Ag Grant would like to provide a level of certainty by providing financial support towards your project. The 2020 Youth Ag Grant will help to defray some of the financial burden you have accrued from your project. The 2020 Ag Grant is meant to help offset some of the financial burdens. You are still expected to contact buyers to help with the sale of your project. To be eligible for the 2020 Youth Ag Grant you will need to complete the attached application, with a picture of you with your project and return to the Tulare County Fair Foundation with a postmark no later than September 15th, 2020.

Should you have any questions please contact your advisor or Geneva Shannon-Orlopp at (559) 901-7840.
