Countywide Projects

4-H Projects typically begin at the club level however, if there are no volunteers leading such projects, the option to open a popular project to the county level allows others to interact and meet members from other clubs who have similar interests. Countywide 4-H projects are available to any active Tehama County 4-H member. These projects have their own schedules and meeting dates and it is up to the member to keep informed as they do not meet at monthly club meetings. Countywide 4-H projects must be approved annually by our county 4-H Program Educator upon completion of a Countywide Project Info Sheet on file with the UCCE Tehama County 4-H Office. Interested in starting or continuing a Countywide 4-H Project? Request a Countywide Project Info Sheet by emailing slseverson@ucanr.edu.

Countywide Dog Project

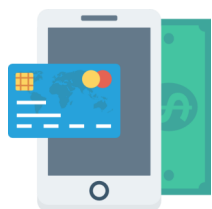

The Coronavirus has certainly changed our world, and the way we do things. With the restrictions in place, it is not possible to hold our dog training classes as we have in the past. However, we can take this opportunity to increase your dog knowledge...hopefully in a fun way! Learn the different breeds, where they are from, dog conformation, basic healthcare, etc. We can have some virtual contest along the way, like funniest photo, best trick, etc. We can even work on some basic obedience skills remotely. This will take some planning on my part so I need to know how many are interested. Hopefully, sometime next year we can restart our training classes. Please contact me at cathleen.cahill@gmail.com or call 530-526-3807. I look forward to hearing from you. - **Cathleen Cahill**, Project Leader
