IMPORTANT NOTICE FOR ALL 4-H LEADERS AND MEMBERS

As COVID-19 infection rates rise the state of California has implemented a Regional Stay at Home Order requiring additional restrictions and limitations on public activity for portions of the state that are experiencing an impact to hospital ICU capacity. The order prohibits gatherings with people outside of your household.

The state 4-H office has concluded that any non-mandatory or non-critical in-person gatherings, meetings, or activities that bring together members of different households must be suspended. This means that 4-H meetings, events, or other volunteer programs or workshops may only continue remotely/online. Please discontinue any in-person meetings even if you have been approved to offer them.

Please see [http://cesanbenito.ucanr.edu/.../Online 4-H Project.../](http://cesanbenito.ucanr.edu/.../Online_4-H_Project.../) for some resources to help you offer online meetings.

This is a critical time in the fight against COVID-19. These additional restrictions are needed to “bend the curve” yet again, to bring down the rate of infection in the community and reduce the strain on our healthcare system.

Purple Up! Day Friday, April 16, 2021

We encourage our local clubs to wear purple on that day as a visible way to show support and thank military children for their strength and sacrifices. Purple is the color that symbolizes all branches of the military. We hope everyone will take this opportunity to appreciate and celebrate these young heroes.

The goal is for military youth to see the support of their 4-H community!

Need some ideas to get started?

- *Make friendship bracelets
- *Write letters of support
- *Invite a military youth to a club meeting
- *Be creative!

We also encourage you to share pictures of what your club has done.

On behalf of our military youth, we thank you!

Kern County 4-H All Star Web Page

We are trying to set up some historical information on our web site. We are currently working on a history of the county All Stars/Ambassadors. If you could help us by contacting former All Stars/Ambassadors from the county that you may know and let them know we need their picture, that would help.

We do have a number of photographs from the past. However, some are poor quality photos that do not enlarge well. Or, they show the All Stars/Ambassadors from the side or at a distance leading an activity. We would like to get more portrait type photos.

To see what we have put together so far, visit the link below.

True Leaders in Service

4-H Celebrates True Leaders in Service this April

Pledge your hands to larger service

This April, join California 4-H, National 4-H Council and National 4-H Headquarters as we pledge our hands to larger service all month long!

4-H is launching the annual True Leaders in Service initiative, a way for all 4-H members to say “thank you” to their communities, counties, and states for all the support they have provided to 4-H for over 100 years. The month-long community service activation will officially kick-off the first day of April and culminate with the National 4-H Day of Service on Saturday, April 25.

We are encouraging youth and adults to venture out into the community to lend a helping hand through fundraising, neighborhood clean-up, beautification projects and much more.

For more information, visit [our True Leaders in Service toolkit page](#) and learn ways to plan a service project in your community.

Help us make a positive, lasting impression on our community and celebrate the True Leaders making a difference through service.

Rethinking Club Meetings

Both in-person and virtual monthly 4-H club meetings:

- **Develop relationships and create a sense of belonging**
- **Allow for youth leadership and learning in a fun and interactive way**
- **Continue to serve and be a resource for our community**

To encourage and support the 4-H Thriving Model in club meetings, this guide reframes the club meeting to enhance relationship building and connection and put less emphasis on club business.

Opportunities to share power is inherent in this guide. The structure and activities are easily facilitated by club officers as well as junior and teen leaders.

Please see our resources and tips below to help you adapt your meetings to this reframed approach in a virtual or small group format.

Restructured 4-H Club Meeting

The guidelines below relate to holding meetings via Zoom virtually. See the [Virtual Tips and Tools page](#) for guidance, tips, and help sheets on leading virtual 4-H meetings using Zoom.

Opening Activities: 35% of meeting

(Twenty-one minutes in a 60-minute meeting, or 31 minutes in a 90-minute meeting)

Focus on building relationships. Zoom will take attendance for you so you can save valuable time by using the attendance report.

1. Select a game/activity to get to know each other, learn names and build relationships
2. Identify and schedule your Opening games/activities for the year so things stay fresh, exciting and new
3. Select one activity from this topic list. We've collected some for you
 - **Physical** https://drive.google.com/drive/folders/1aliov2YaQ4gGVQxFub_v2VKJT41Lo3we
 - **Relationship Building** https://drive.google.com/drive/folders/1ZdBvV5GScw_78D0Za4FevFXklKO_1a8B
 - **Play** <https://drive.google.com/drive/folders/13FsQ19Z0l5ZiQDaMqK-fwzHWX3Vhg0ej>
 - **Social/Emotional** https://drive.google.com/drive/folders/1_iYmICSiuUalt0Muis_8XxmGrUP5TDIk
4. You can also use recommendations from youth and families of activities they have liked from other virtual meetings. Activities should be appropriate for mixed ages and meet one of the topic areas above.

Business Meeting: 10% of meeting

(Six minutes in a 60-minute meeting, or 9 minutes in a 90-minute meeting)

- Send agenda, past meeting minutes, and treasurer's reports to membership via email and/or USPS for review prior to the meeting
- Be mindful of access and connectivity limitations by mailing documents to members and families who cannot connect virtually
- The agenda should include details about upcoming meetings for projects, service, and events and should include the URL and physical address
- Ask for questions, corrections, and approval. Do not read these reports out loud.
- Ensure everyone has a chance to ask questions.
- Give people time to think.
- *Silence is not agreement.* Develop a system for participants to acknowledge agreement. Tip: Use Zoom features such as annotate, thumbs up, etc. When voting, it is important to know that all members' voices have been heard. We recommend that you do this by using the chat feature, or roll-call voice vote.

Learning and Planning: 20% of meeting

(Twelve minutes in a 60-minute meeting, or 18 minutes in a 90-minute meeting)

Consider the following phrase from the 4-H pledge to be the focus of your learning and planning for the year: *"My health to better living, For my club, my community, my country, and my world"*. While our current social distancing restrictions will prevent us from fulfilling our service to our communities in the same fashion as in the past, the needs are greater than ever.

Rethink what service means to your community

Your challenge this year is to re-think what service means to your community and how to continue to meet the needs while being socially distant and safe. Now is not the time to say, "we can't do this this year". Rather, "We CAN do this, this year!"

- Be creative in developing ways to secure food and clothing for local pantries and shelters
- How can technology be used to reach seniors that are home-bound or in nursing facilities?
- How can community gardens and beautification projects still be a point of pride, dedication, and service to your community?
- Is it time to stretch your community service goals and identify new needs in your community?

To facilitate this process, we suggest using the following resources from [YPAR Hub at UC Berkeley](#) to assist in identifying the needs, making a plan and activating that plan:

1. October: [Who is My Community webpage](#)
2. November: [Principles and Practices of Community Partnerships webpage](#)
3. January: [Identifying Community Issues and Assets webpage](#)
4. March: [Comparing your Neighborhood to an Ideal webpage](#)
5. April: [Defining the Research Question webpage](#)
6. May: [Getting the Word Out - Event Planning webpage](#)

To make this manageable, we recommend dividing the club into smaller teams that work together all year in small community service groups.

Use the Zoom breakout room feature to assign mixed-aged groups of youth with two certified 4-H adult volunteers per breakout room.

- More information on [Youth Participatory Action Research](#) (YPAR)

Closing Activities: 35% of meeting

(Twenty-one minutes in a 60-minute meeting, or 31 minutes in a 90-minute meeting)

- Ask members to debrief or share their experiences from the learning session.

Members have been mentally engaging for the past 20 - 35 minutes. Give them time to let loose, be silly and move.

1. Identify and schedule your Closing games/activities for the year so things stay fresh, exciting and new
2. Select one activity from this topic list. We've collected some for you (google drive link – See above for links)
 - **Physical**
 - **Relationship Building**
 - **Play**
 - **Social/Emotional**
3. You can also use recommendations from youth and families of activities they have liked from other virtual meetings. Activities should be appropriate for mixed ages and meet one of the topic areas above.

A POWERFUL NEW WAY TO SUPPORT 4-H

Help your 4-H program
without spending
anything extra

The California 4-H Foundation is excited to share this innovative, grassroots method for raising money for local 4-H programs – meet your California 4-H GroundSwell Visa Debit Card. We're working with GroundSwell, a social purpose corporation that empowers people to use their everyday purchasing as a force for good.

- Good for you: Awesome rewards, zero recurring fees, no credit check. Every purchase helps your 4-H county, but that money doesn't come out of your pocket.
- Good for 4-H youth: 4-H youth programs get the benefit of ongoing funding according to the participation in your county, to be used where it's needed most in your county.
- Good for your county 4-H Program: All funds raised go directly to your county.

HOW 4-H MEMBERS ARE USING THE CARD

Of course, expenses related to 4-H projects should be top of the list!

Cell phone bill	\$100	✓
Home wireless/tv bill	\$75	✓
Car insurance bill	\$125	✓
Online subscriptions (Netflix, Disney+, Hulu, Spotify, Audible)	\$50	✓
Amazon purchases	\$100	✓
Local groceries/shopping	\$500	✓
Coffee, gas, misc.	\$50	✓

A few volunteers and parents have swooped in to start using the 4-H Debit Card. Early signs indicate this can be a windfall for our local clubs and programs. Using this card helps fund youth recognition and more - without having to donate or figure out new ways to fundraise. Thank you, early birds!

Examples of how our early birds are using their 4-H Cards:

- Online subscriptions (e.g., Amazon Prime, Netflix, Disney+, Hulu, Spotify, Audible, games, news)
- Online monthly bill payments to other merchants (e.g., cell phone, home wireless)
- Ad hoc online purchases (e.g., groceries, pet supplies, clothing, gifts)
- Local shopping (e.g., groceries, coffee shop, craft shops, etc.)
- AND - 4-H projects and animal care, of course

Later this month, the 4-H Card mobile app will increase convenience *and allow you to see your personal impact*. It will also connect to smaller credit unions or community banks, a big plus.

Our county qualified for the 4-H Card because so many of you expressed interest in it - so join the flock! Go to <http://bit.ly/ca4hcard> to learn more. New users will apply directly through the Android or Apple app - we'll let you know when you can download it later this month.

Let's join the early birds - and turn our everyday living into a formidable fundraising flock!

Note: Our 4-H Card partner, GroundSwell SPC, is a Washington State-based social purpose organization. They are devoting the majority of their gross revenue from this program to California 4-H. 100% of proceeds generated for our county go directly to our county. GroundSwell has been working on this program at no cost to the 4-H Foundation, who sourced this unique program for our counties.

Update from The State Fashion Revue Committee

Our new theme is “State Fashion Revue: Reboot”. While acknowledging current events, we also see this as an opportunity for a new start. State Fashion Revue will be a virtual event in May 2021. Because of this, there will be a few changes. To qualify for SFR, the participant must be enrolled in 4-H and must be named the County Winner in one of the state categories. However, the requirement to make the entries as part of a sewing project has been removed for all categories. This is to encourage members to participate in Fashion Revue who may not be able to attend in-person project meetings. All counties should hold their Fashion Revues by April 24 so eligible members can register for the state event by April 30. The categories are continued from 2020 - Consumer Science Purchased \$40 limit, Vintage, Box Challenge, Traditional, and Cosplay. For more information please visit the [SFR website](#).

We are also looking for many people to join the SFR committee who have skills in Zoom and Google, since everything will be online. We would value any support whether you are a techie or not.

Please contact me if you are interested!

2020 Virtual State 4-H Field Day Findings

We are pleased to share the [evaluation report for the 2020 Virtual State 4-H Field Day](#) (attached).

KEY EVALUATION FINDINGS

- Youth reported that primary benefits were improving competence (communication skills) and confidence (self-worth).
- Youth who have successful public speaking experiences are more confident in their public speaking abilities. Youth report very strong feelings of belonging and acceptance in 4-H.

Recommendations for State 4-H Field Day

- State 4-H Field Day should offer contests both in-person and virtually, given that youth spoke about how virtual contests boosted participation, improved comfort, and reduced expenses. Provide additional resources, support, and training to presenters and evaluators on effective uses of virtual technologies. Help youth understand what they need to adapt in their presentations to make effective use of the affordances and constraints of technology.

Recommendations for 4-H public speaking

- Given that successful (mastery) experiences influences communication confidence, and a relationship between communication confidence and evaluators' scoring, we recommend broadening opportunities for youth to present and participate in 4-H presentation events, including removing seal requirements (i.e., remove requirement that youth must earn a gold to advance). Explore what it is about mastery experiences that influences communication self-efficacy to inform the 4-H presentation program.

From the State Office

We're still tallying the numbers...but thanks to your record breaking generosity, as of midnight on #GivingTuesday, you helped raise more than \$100,000 for the 4-H Youth Development Program in California!

We appreciate all your support!

Thank you also to the California 4-H Foundation Board of Directors for their generosity with their matching gift and 100 percent participation on #GivingTuesday.
