November 2021

UC Nitrogen Management Course Online Open to All Interested Parties, starting November 8th

Are you interested in learning more about Nitrogen Management? Are you a Certified Crop Advisor seeking Continuing Education Units and/or preparing for the new California Nitrogen Specialty Exam? Have your grower clientele asked you if you are eligible to sign off on a Nitrogen Management Plan? Registration for the UC Nitrogen Management course is now open at <http://ucanr.edu/NitrogenCourse>. The UC Nitrogen Course is taught online through a video series delivered by UC Researchers and Extension Specialists. Each module is eligible for Certified Crop Advisor (CCA) continuing education units (CEUs). The course is open to anyone interested in learning more about N management in California.

The curriculum addresses all the learning objectives set forth by the American Society of Agronomy (ASA) for the new California Nitrogen Management Specialty Exam. The video series opens next week November 8, 2021.

Register at <http://ucanr.edu/nitrogencourse/>

You may join the course at any time up until December 31, 2021

For more information contact Sat Darshan Khalsa at sdskhalsa@ucdavis.edu or 707-205-7007 or visit the FAQ page [<https://ucanr.edu/sites/nitrogencourse/FAQ/>].
