Countywide Projects

4-H Projects typically begin at the club level however, if there are no volunteers leading such projects, the option to open a popular project to the county level allows others to interact and meet members from other clubs who have similar interests. Countywide 4-H projects are available to any active Tehama County 4-H member. These projects have their own schedules and meeting dates and it is up to the member to keep informed as they do not meet at monthly club meetings. Countywide 4-H projects must be approved annually by our county 4-H Program Educator upon completion of a Countywide Project Info Sheet on file with the UCCE Tehama County 4-H Office. Interested in starting or continuing a Countywide 4-H Project? Request a Countywide Project Info Sheet by emailing ecparadis@ucanr.edu.
