Look who's in the spotlight!

CLAYTON RAIMER FROM ANTELOPE 4-H

I started 4-H in 2013 as a Primary Member with Antelope 4-H. Over the years, I have completed projects in Market Goats, Shooting Sports, Crafts, Scrapbooking, and Primary. When I started 4-H, I didn't like to talk in front of people. 4-H has helped me with that, I now given presentations and like to make motions at meetings. Over the years, I have enjoyed meeting new friends, going to fair and 4-H camp. Most of all, I have like being involved in community service projects. Some of my favorite community service projects have been Bell Ringing for the Salvation Army, Farm Bureau Dinners, Show Supplies for Camp Fire victims, Gift Wrapping and many others. I have enjoyed my nine years in 4-H!

Club Reports

Bowman Club Report...by Royce Rulon

On April 5, 2022 Bowman 4H held their last meeting until fair. At the meeting we made sure everyone there had met fair requirements. Also, we talked about how the group did at Still Exhibits, fur and feathers and Hooves and Utters. After we applauded for the kids who did good at Still Exhibits, fur and feathers and Hooves and Utters we had 2 presentations and then recreation then we sat down and adjourned the meeting

Antelope Club Report...by Ellie Eggleston, Reporter

In Antelopes last meeting as a club in April we announced all reports, and we are holding an end of the year party for our club after the meeting. Our club has a new leader, Tiffany Jordan, and she will be our leader next year. Records books will be due at the end of July. This months community service project is "Easter Baskets for the Elders". For our club there would be a meeting for all the parents in our club in May. There is a 4H camp held on July 6-10. As a club, we are having an Easter egg hunt the Sunday before fair when we are setting up. To sign up for Antelope 4H will be due at the end of August.

A Letter of Thanks

For some people, volunteering is about giving. For 4-H volunteers it is a way of living.

National 4-H Volunteer week was April 17th-23rd!

We would like to thank all of our 4-H Volunteers for all that you do and continue to do to make our program great!

Countywide Projects

4-H Projects typically begin at the club level however, if there are no volunteers leading such projects, the option to open a popular project to the county level allows others to interact and meet members from other clubs who have similar interests. Countywide 4-H projects are available to any active Tehama County 4-H member. These projects have their own schedules and meeting dates and it is up to the member to keep informed as they do not meet at monthly club meetings. Countywide 4-H projects must be approved annually by our county 4-H Program Educator upon completion of a Countywide Project Info Sheet on file with the UCCE Tehama County 4-H Office. Interested in starting or continuing a Countywide 4-H Project? Request a Countywide Project Info Sheet by emailing ecparadis@ucanr.edu.
