SOIL AND PLANT TISSUE LABORATORIES

This document lists some commercial soil testing laboratories that provide services to the public for a fee. The list is neither comprehensive nor all-inclusive. No endorsement of any specific business is intended; neither is any criticism implied of similar laboratories not listed here.

Soil testing labs vary in the types of tests they offer and the recommendations they provide, if any. Please contact specific labs for the services they offer. These labs may or may not provide contaminant testing services.
