## Ron Knight Sheep Award Winner, Brooklynn Mueller, Antelope 4-H

Brooklyn Mueller has been an active member of Antelope 4-H for 4 years. She has shown sheep all 4 years and takes great pride in raising a great quality market lamb. Brooklyn has been a presenter for the Tehama County Farm Day held at the Tehama County District Fairgrounds the past 3 years giving demonstrations about sheep body parts, meat cuts and By-Products to all Tehama County 4th graders. Brooklyn enjoys sharing with others whether it is teaching younger members how to care for their animals or talking to others about sheep By-products. Brooklyn has had many leadership roles in 4-H from being on multiple committees to Club Reporter and the last 2 years she was Club President. Outside of 4-H Brooklyn is involved in volleyball, basketball, ranch sorting and Jr. High School Rodeo. This year Brooklyn received the Ron Knight Memorial Sheep Award and she plans to use it as motivation to keep working hard and lead with confidence.

## Ambassador Team Report

Your 4-H Ambassador's have been buy this past month. With three different events attended. The first event was Regional Presentation Day. Katie and I helped in whatever way we could, whether it was helping decorate, showing presenters to the rooms or doing what we do best and be presenters ourselves and help with presenting the awards to all the recipients. I made sure to take pictures to include the event in our ambassador project. Overall, it was quite enjoyable and a very well put on event.

Next event we attended and helped was Fashion Revue. Fashion Revue is a fun event because the participants have made and designed all their own clothes and get to show off what they created. Once again, I took a lot of pictures and Katie, and I emceed the event and handed out awards. This was another very entertaining and well put on event.

Lastly was fair. We do not attend fair to help as we do at other events. Katie and I are both active participants in fair. We both show animals and have ever since we were able to do so. Fair is a fun event that is looked forward to by many 4-Hers each year. Although it is fun, it is also a lot of hard work, and we want to congratulate everyone on a job well done.

-Ronan Skelton, 2024-2025 Ambassador

## Club Reports

### Manton Club Report ... *Hall family*

Manton 4 H had a very busy and fun fair. Our swine group had 5 members this year and 2 primary dairy goat members. Busting at the seams for us! Now in recovery mode and looking forward to community service volunteering to serve at the Annual Mother's Day Breakfast May 11th and the memorial Day Celebration at the Manton Cemetery at the end of May.

### Los Molinos Club Report ... *Raquel Gannone, Club Leader*

Tehama District Fair has come and gone and we are so proud of all of our exhibitors and their accomplishments! We're also grateful to all of our volunteers, teen leaders, and member families that work behind the scenes to make it all happen! Our final meeting for the 2024-2025 year is June 2nd. We'll be having our root beer float social and electing our President, Vice President, Secretary, Treasurer, and Reporter for the 2025-2026 club year. Looking forward to seeing some of you at 4-H Camp in July, and looking forward to another great year with Los Molinos 4-H Club!

### Antelope Club Report ... *Tiffany Jourdan, Club Leader*

Antelope 4H had their end of the year meeting on May 12th. We had a pizza party and played bingo. We celebrated that our swine and sheep/goat kids won the clean stall award at fair. Record books and annual project reports are due June 30th to the 4H office. We hope everyone has a great summer.

### Lassen Colony Club Report ... *Maggie Rabo, Reporter*

Lassen Colony 4-H had another successful year at fair! Members sold and showed pigs, steers, goats, lambs, and rabbits, and won many ribbons. Our president, Alyssa Dausse, got to compete in Round Robin! Many members also entered award winning still exhibits. And our Lassen Colony booth won 1st place!

# Countywide Project Directory

## County-Wide Project Directory

4-H Projects typically begin at the club level however, if there are no volunteers leading such projects, the option to open a popular project to the county level allows others to interact and meet members from other clubs who have similar interests. Countywide 4-H projects are available to any active Tehama County 4-H member. These projects have their own schedules and meeting dates and it is up to the member to keep informed as they do not meet at monthly club meetings. Countywide 4-H projects must be approved annually by our county 4-H Program Educator upon completion of a Countywide Project Info Sheet on file with the UCCE Tehama County 4-H Office. Interested in starting or continuing a Countywide 4-H Project? Request a Countywide Project Info Sheet by emailing [ecparadis@ucanr.edu](mailto:ecparadis@ucanr.edu).
