Luke Dodd is a 6th year member of the Lassen Colony 4-H Club. After 4 years as a primary member, he was excited to be able to take a market animal project and take an animal to the fair. This year, he will be taking his second market goat. He is looking forward to competing in his market class, showmanship and entering his still exhibits.

Luke is the club Historian and has served on many committees as a both a member and chairperson. He is also In the Entomology, Arts & Crafts and Shooting Sports projects. Luke was surprised when he was awarded with the Reserve Sweepstakes award at the Still Exhibits even last month!

Countywide events are something Luke looks forward to each year. He enjoys fun night, fashion revue, still exhibits, livestock judging expo and presentation day. They year, he has earned a place in the state presentation contest, where he plans to compete with his presentation on the Meat Cuts of a Market Goat.

Outside of 4-H, Luke is a 5th grader at Lassen View School. He loves playing baseball for the Red Bluff Little League and playing golf in the offseason. Luke also likes learning about American History and spending time with his family.

Ambassador Team Report

Over this past month there have been three county wide events. Fur and Feathers, Still Exhibits and Fashion Review / regional Presentation day. Fur and Feathers showcased rabbits, stuffed chicken showmanship, pygmy goats, and dogs. At still exhibits there were a variety of different projects, and **congratulations** to Ian Baker for earning the sweepstakes award. At regional presentation day there were a variety of mini competitions to participate in, and fashion review showcased some amazing models. If any of you want to be an ambassador I encourage you to do so. Being an ambassador allows you to be in a position of mentorship, as well as being able to work on your public speaking skills. I am also involved in seven projects. The projects I am in are, welding, sewing, rabbits, outdoor adventure, gardening, photography, and shooting sports. As a 4-H member if there is a thing that you want to pursue I encourage you to find other people with the same interests and create a 4-H project out of it. I also encourage you to enter your projects at fair because you never know what could happen. Last year I entered one of my photos at fair and it won best of show. So if there is something you like to do, make it a project and pursue it.

-Katie Junge, 2024-2025 Ambassador

County-Wide Project Directory

4-H Projects typically begin at the club level however, if there are no volunteers leading such projects, the option to open a popular project to the county level allows others to interact and meet members from other clubs who have similar interests. Countywide 4-H projects are available to any active Tehama County 4-H member. These projects have their own schedules and meeting dates and it is up to the member to keep informed as they do not meet at monthly club meetings. Countywide 4-H projects must be approved annually by our county 4-H Program Educator upon completion of a Countywide Project Info Sheet on file with the UCCE Tehama County 4-H Office. Interested in starting or continuing a Countywide 4-H Project? Request a Countywide Project Info Sheet by emailing ecparadis@ucanr.edu.
