# DO YOU HAVE A GARDEN?

Take part in our community survey!

We are looking for community members throughout the *Orange, Los Angeles, Riverside, & San Bernardino* counties who have transitioned their landscapes (back and front yard) to water-efficient gardens. Our mission is to highlight water resilient champions across Southern California. Your stories will be shared with other community members to learn from you.

Scan this QR code to take the survey! Feel free to reach out to [anrsocalwater@ucanr.edu](mailto:anrsocalwater@ucanr.edu) for any further questions or assistance.
